JUNAID AHMAD
AIR -3 CSE 2018

Geography played an important role in my whole preparation and my selection in civil service 2018.

It helped me in improving my General studies answers along with the optional.

Guidance IAS provided good content and mixing links which were required to crack this exam.

Hope in the future also, the institute will help in reducing the stream of many other aspirants.

[UPPCS RANK-1]

Respected Sir,

I am Srishti Priya. I secured 8th rank in 63rd BPSC (2019). The 500+ program immensely helped me in my optional preparation. The class notes paired with 500+ questions are very comprehensive and help in developing the skill of structuring answers and using illustrations to fetch good marks. I would like to thank Himanshu Sir for developing such a unique initiative to help students develop the much feared skill of answer writing.

THANK YOU GUIDANCE IAS
