

P.T. MAPPING MODULE

Geography Mapping Module

(Prelims + Mains)

- Geography being a discipline which is based on description and observation, **ATLAS** coverage is a significant part of CSE Syllabus both from Prelims and Mains perspective.
- Weightage of questions based on locational aspects is increasing in Prelims with around 3-4 Direct questions coming from in-depth coverage of Atlas.
- Also, in Mains, answers of History, Geography, IR, Internal Security & Environment need to be supplemented with good use of maps.
- Hence, Atlas coverage helps not just in Prelims but also in writing Mains and developing a global perspective.

The highlights of Atlas Module include:-

- A. In-depth coverage of all locations - Continent and Country wise.
- B. **Coverage** includes aspects like Physical (Mts, Plains, Grasslands, Deserts, Rivers, Tectonics, Water Bodies), Political(Geopolitic & Geo-strategic), Social(settlement history and present), Economic (Primary Occupations, Industries) and **Analysis of Current Developments**.
- C. Drawing an outline of world map is also included.
- D. Special emphasis is given with regards to India's coverage with regards to important roadways, ports, national parks and space centres.
- E. The module spans **15 lectures (2-2.5 Hrs each)** covering the entire Atlas- **Orient Black Swan (World Geo) & Study Today Publications (Indian Geo)**
- F. Sure shot Applicability is **Guaranteed** in Prelims as well as Mains.

LECTURE PLAN

LECTURE NO:	DATE & TIME:	CONTENT COVERAGE:
